As a leading authority in personal development and transformation, business turnaround specialist, author and speaker, Darshan Shanti helps audiences all over the country to **get clear** of their past, **get focused and going on their future** and **get results they want right now**. He knows what is needed to transform an organization due to his 20-years of experience and the 30,000 people that he's worked with. Grabbing their attention from the moment he takes the stage, he immediately gets participants to change their own minds about themselves, their beliefs and their future, leaving them with the direct experience that they are 24 Hour Champions in every area of their business and life.

### **Darshan's Most Powerful, Dynamic, Moving, Memorable and Interactive Presentations**

**The 24 Hour Champion** – Have your team be peak-performing champions all the time, no matter what. They will discover and develop the leader within and then they will lead the field. Today, it's more important than ever to be a front-runner, to be an outside-the-box thinker, to be a pioneer. Leadership is not a luxury for the “chosen few” anymore; it's an absolute must in order to thrive. Everyone within earshot of this talk will develop the courage, the insights, the strength of character and the rock-solid foundation to deal with the ever-changing, fast moving business world.

**Raising The B.A.R.** – BELIEFS + ACTION = RESULTS - All leaders can improve. All employees can improve. Anyone can do better. But how is that done when business has changed so much? What worked just a few years ago is bankrupt today. What is it that peak-performing leaders do, how is it that they think and what sets them apart? Those are just some of the questions that will be answered in this in-depth, 100% experiential and interactive talk.

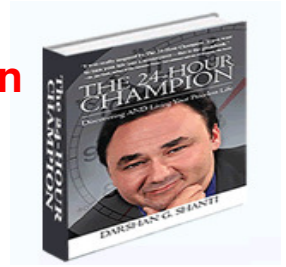

**UnstopAbility** – Take your business where you want it to go, how you want it to go and make it happen when you want it to happen. You'll develop the character traits of people like The Unstoppable Bill Porter, The Miracle Man, Morris Goodman, and W.Mitchell. They all overcame tremendous adversity and achieved great success. What are these traits and much more importantly, can your team develop them? The answer is a resounding YES! When this talk is over, your organization will be UNSTOPPABLE!

## Positive Praise For The 24 Hour Champion

“I was really inspired by The 24 Hour Champion. If you want to turn your life into a masterpiece – this is the guidebook.” **Dr. Joe Vitale, author of The Attractor Factor and a star of the movie, The Secret.**

“This book will help you become a committed champion in your own life and this book holds many direct instructions, examples and age-old truths broken down in such a way that YOU can begin immediately to become the greatest you, you can be. It is all within you. Read this book and take action!”  
**Michele A. Blood co author with Bob Proctor - “Become A Magnet To Money Through The Sea Of Unlimited Consciousness” [www.musivation.com](http://www.musivation.com)**

“We are off to our best start and have almost achieved our mid-year budget in the first quarter. Everyone is motivated, working together, and focused on achieving our goals. It has been a pleasure having you as our transformational consultant and I look forward to continuing to work with you in the future. **Daniel Dominguez- Regional Manager - Baxter – Renal Division**

“Through keynotes, breakouts or workshops, I help companies permanently develop their most important and valuable asset and their real bottom line... their people and I do it in hours, not years.”
